

Future Problem Solving Strategic Plan 2024-2029

This infographic visualizes the high level Theory of Change that underpins the Strategic Plan.

Our Vision: A world full of problem solvers ready to create a better future.

Our Mission: To develop the ability of young people globally to design and achieve positive futures through problem solving using critical and creative thinking.

Our Values Embody the 5Cs of Education:

CRITICAL THINKING • CREATIVE THINKING • COMMUNICATION • COLLABORATION • CARING + DEIB COMMITMENT
